

# DIRECT SPACES: A MODERN MOBILE EXPERIENCE

## View, create and manage bookings on-the-go with EMS' user-friendly mobile app

With the EMS Mobile App, Direct Spaces, you have the functionality of the EMS system available directly at your fingertips. View, create, update and manage your bookings on-the-go using the app's intuitive interface. Take advantage of easy user onboarding and additional features like floorplan visibility to streamline every step of your space booking process.

Easily find and book the most appropriate space to meet your needs

Use EMS' data-driven analytics to enhance productivity and maximize space ROI

Use QR codes to book a space, check in, or check a room's availability

Extend or cancel your meetings easily within the mobile app

# CREATE A MORE AGILE, MODERN AND USER-FRIENDLY SPACE BOOKING EXPERIENCE

EMS' Direct Spaces offers all the power of EMS' workplace and campus management platform via a modern, easy-to-use mobile interface so you can access the right information directly at your point of need.
